**Clothing:** Nelson is renowned as New Zealand's sunniest location, but the temperature can fluctuate quite widely throughout the day and night, especially in the shoulder season, so please pack warm clothing and a warm hat for early and late in the day as well as for night sailing. During the day the sun can be very powerful, so a sunhat, sunglasses and sunscreen are essential items. Long sleeved thin tops are a good idea. Soft closed shoes such as trainers are suitable as footwear. Going ashore in the dinghy be prepared to get wet feet on the beach. Please bring your own towel and you might also like to bring your swimming things.

**Food and drink:** Sail Nelson provide all the delicious food for the week and we're happy to cater to your food preferences, providing you advise us in advance. If you'd like a beer or a glass of wine with your evening meal then please bring this with you. As well as the main meals we provide all the tea, coffee and snacks, but if you have any particularly favourite snack items then don't hesitate to bring these with you too.

**\*For Yachtmaster only:**

This is a 5 day preparation week and a 2 day exam. All Yachtmaster candidates crew for each other during the practical exam, so by signing up for the preparation week you are committing to stay for the exam, even if you ultimately decide not to sit it for yourself. During the Yachtmaster preparation week you will sail and navigate more intensely and in a more limited geographical area than on our other courses. The exact duration will depend upon the number of candidates sitting the exam.
